1 Handcrafted 10 inch Long Stick

VEDASTIKA

Our 10 inch long hand-made sticks gives you more burning time of around 45 min than regular sticks. To encourage the women empowerment, Our sticks are specially crafted with love from our Women team Members.

2 Use of Non-Allergic Perfumes

To freshen up the scent of indoor areas, for spiritual purposes, health, sound sleep. Our special selected non-cruelty & no-allergic perfume which are used to give long lasting fragrance.

3 Meaning of VEDASTIKA

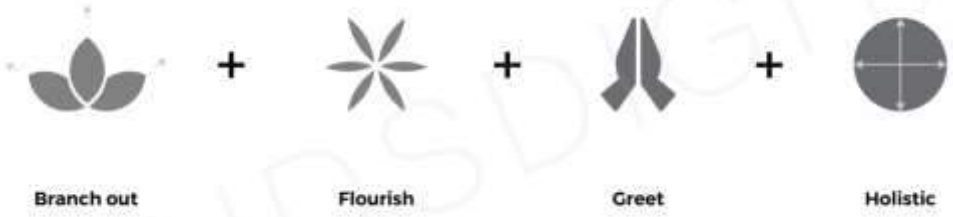

Our incense sticks connect you to the spiritual world. It comes from our ancient roots.

VEDAS-It means knowledge.

STIKA-It is a religious symbol of SWASTIKA. Both the words have deep meaning in ancient India

4 Unique logo Design

The Logo itself represents how the sticks are made from -A branch,- A flower that represents the fragrance. A Greeting Hands is the culture and a holistic symbol.

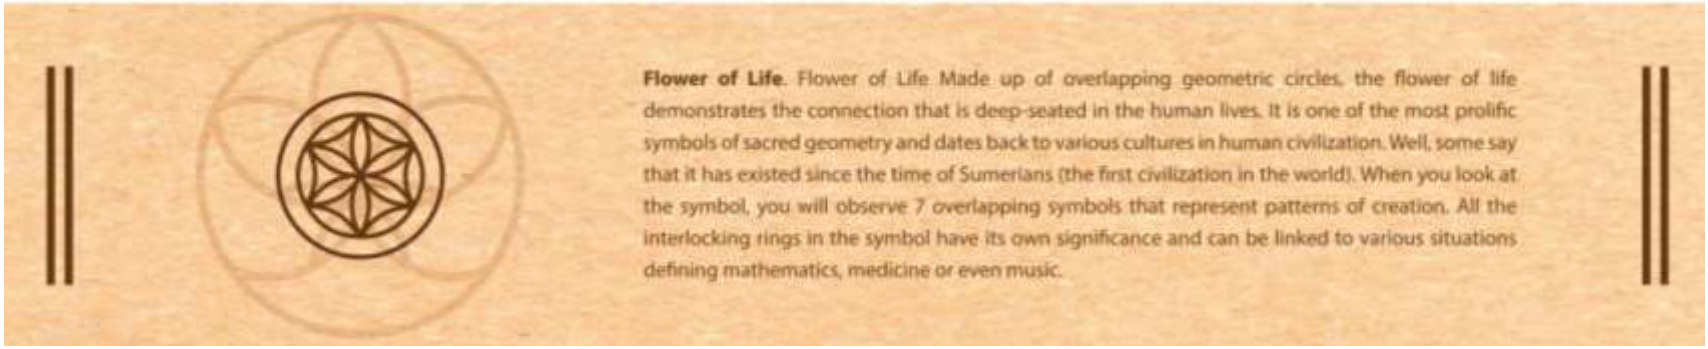

5 Mandir Gamini Concept

The concept of Mandir Gamini, derived from the ancient methodology of worshiping god where a lady is going to temple (Mandir) in the morning with freshly plucked flowers as in today's era we do not find the same, our sticks represent that incense from ancient roots

6 108 Knowledge Leaf

We believe in our ancient roots. So, to cover our concept and to connect you more with our roots we have created leaf of knowledge. each leaf has a different symbol along with the deep meaning of the same. We have tried to cover 108 Symbols which is also a holy number and it will be randomly place in different boxes to have variation.

7 Butter Paper

And lastly, to give you the complete feel of the incense we have added the butter paper(Inside the box) which holds the stick in the box is also coated with parent flower fragrance to keep you fresh for long time even after the completion of the incense sticks

What are we looking for ?

- Win – Win Partnership
- Who can understand our strength and values.
- Long term Business relationship based on truth and trust.
